

# Sponsor of the Month

FEBRUARY, 2012

*Levi Strauss & Co joined ShelterCare for the first time as a sponsor of our marquette event, Jack-O-Lanterns on Broadway.*

## Levi Strauss & Co

**From blue jeans to orange pumpkins, Levi Strauss steps up to help.**

Levi Strauss & Co has been involved in community projects for more than 35 years by offering employees and retirees many ways to get involved in charitable projects. In 1968 Community Involvement Teams were founded to empower employees to make a difference. These teams are company sponsored and partner

with local charitable organizations to identify needs, plan activities, and create volunteer and donation opportunities.

In 2007, Levi Strauss & Co. provided a large donation of high quality apparel to families and adults served by ShelterCare. The clothing answered a critical need for our clients who are trying to look their best to gain employment or take the next step toward independence.

Their continuing commitment to our programs culminated last fall when Levi Strauss joined our largest event of the year, Jack-o-Lanterns on Broadway, as a major sponsor. Their financial support, combined with their enthusiasm and promotion of the event, was instrumental in making it a great success at its new location in the heart of Eugene.

The next time you buy a great pair of pants from Levi's, thank them for

ShelterCare's mission is to shelter and support individuals and families as they establish stability, independence, and success.
